EXCLUSIVE
WALLPAPER

A modern wallpaper has to combine design, practicality and materials. The distinctive trait of a wallpaper is to be a contemporary and custom-made element able to satisfy space, covering and design needs.

Londonart is all of this: we studied and created sartorial wallpaper, handcrafted works for an unmatched design product.

Our brand's identity is a combination of fashion, graphic elements and architecture; materials, fabrics, aesthetic and decoration match functional capacity for striking, outstanding and balanced results at the same time. Contemporary demands turned Londonart's wallpaper in a sheer furnishing element, specific and on-demand -tailored and out of standards - that easily satisfy interior designers and architects needs.

Londonart is contemporaneity:

an international sight in an artisanal soul: a name "Londonart" recalls the essence of art and design through decoration. Every space can become furniture thanks to a product that transforms spaces by dressing up surfaces.

Londonart is practicality:

a new concept of furniture that customises rooms with a concrete offer that solves the empty spaces problem by adapting itself to every situation.

Londonart is art:

patterns are wisely created by our designers: artists, architects, illustrators, tattoo artists and stylists put hands, eyes and ideas together with inspiration and metropolitan mood to offer multiple solutions and designs.

Una carta da parati attuale deve sapere coniugare design, funzionalità e materiali. Il bello di un wallpaper, però, sta nell'essere un elemento contemporaneo e custom made, capace di rispondere alle differenti esigenze di spazio, copertura e progettazione.

Londonart è tutto questo: abbiamo studiato e creato carte da parati di livello sartoriale, opere di autentica artigianalità, per un prodotto contemporaneo, di design, unico e funzionale. L'identità del nostro brand è infatti una combinazione di moda, elementi grafici e architettura; materiali, tessuti, estetica e decoro che si sposano alla funzionalità e al bisogno di razionalità degli spazi, per risultati al contempo d'impatto e armonici. Le esigenze contemporanee hanno reso i wallpaper Londonart un elemento di puro arredamento, specifico e on demand -su misura, per ogni misura e fuori da ogni standard- che risponde a tutte le esigenze di progettisti, architetti e arredatori.

Londonart è contemporaneità:

uno spirito internazionale in un'anima artigianale e d'atelier: un nome, Londonart, che richiama l'essenza dell'arte del design, attraverso i concetti di decorazione e progettualità. Un universo di espressioni per trasformare ogni spazio in arredo. I wallpaper Londonart divengono così moda che veste le superfici, design che trasforma gli ambienti.

Londonart è funzionalità:

Una nuova concezione del wallpaper come elemento di puro arredo, capace di trasformare ogni spazio in un complemento unico, personale e innovativo.

Abbiamo ricercato e progettato una carta da parati che sia una proposta concreta per dare un'espressione razionale, capace di risolvere la problematica degli spazi vuoti, poiché customizzabile e su misura di ogni esigenza.

Londonart è arte:

I pattern della carta da parati Londonart vengono creati sapientemente dai nostri designer: artisti, architetti, illustratori, tattoo artist e stylist che mettono mani, occhi e idee in una commistione di ispirazioni e mood dal tocco metropolitano, naturale o illustrativo, che arreda con molteplicità di soluzioni, bellezza e progettualità.
